### Progress made:

The website has been updated and recommendations are still being sent to Mrs. Jean.

The Mississippi Blues Marathon was held on January 2, 2009. MDA sponsored a water station and managed shifts from 5:30 to 10:30 am. Twelve members of MDA volunteered for this event. A banner with the MDA logo was displayed to increase awareness of the organization.

Toy Bell also noted that she still has an interest in assisting with the "Take 5" publication if needed.

The committee would also like to promote national nutrition month through an event held at the district level. Grocery store tours were suggested.
